

Knuckle Duster MUG!

For many of us, mornings are tough. If so, fight back with a strong cup of coffee in a mug that's tough enough to carry you through the day.

This quality man sized porcelain mug with a titanium plated knuckle duster shaped handle will show your co-workers that you're not in the mood for conversation.

Whether you're after a nice cuppa milky tea, or a hard-hitting black coffee, the MUG! will ensure your beverage packs a serious punch, providing you with a hit of caffeine that will knock you into shape.

Available in classic white, white and gold or black and silver, the Thabto Knuckle Duster MUG! is the ideal gift for anyone who like to look and feel like the boss.
